Press release from ÅF Pöyry AB

ÅF Pöyry AB's Annual and Sustainability Report for 2020 is now published

ÅF Pöyry AB has today published the Annual and Sustainability Report for 2020 and it is available on the company website afry.com.

The Report presents the company's business strategy with a strong focus on sustainability, digitalisation and growth in transforming segments. We also report revised sustainability targets, including that the company will achieve net zero CO₂ emissions from own operations by 2040 and 40 percent female leaders by 2030. The financial targets remain unchanged.

"Together with our customers, partners and employees, we accelerate the transition towards a sustainable society. I am proud of what we have achieved in 2020 and look forward to continuing to work together to solve some of the greatest challenges of our time," says Jonas Gustavsson, President and CEO of AFRY
