

Easter egg hunt!

Happy Easter from AFRY! You can use these clues in your Easter egg hunt at home. At the bottom of the page, you can see what hiding places the clues are connected to. Print or read the clues that are suitable for your home, and have a great egg hunt!

CLUE

Look in the room where you begin your day,
That might help lead the way.
This is the home for all your dreams,
Maybe your egg is closer than it seems?

CLUE

In movies this is a common place to hide,
Sometimes they are narrow and
sometimes they are wide.
You need fabric, mounts and some kind of pole,
Hurry before the Easter Bunny slides
down the rabbit hole!

CLUE

This is a common place for baking,
Maybe there is an egg in the making?
Open the door where it's usually warm,
Now when it's off it will do no harm.

CLUE

This usually has drawers or doors,
It's the place for your clothes while not on the floor!
Look where you keep your favourite sweater,
Maybe this time you'll find something better.

CLUE

You visit this after training,
It's almost like it's raining!
This is a place for lather and foam,
It's the wettest place in your home!

CLUE

When it's time to clean your room,
Maybe you need a broom?
Check behind these supplies,
And maybe you will find a surprise!

CLUE

This is usually not a safe place,
But we'll make an exception for this chase.
The clue to finding this is "wheel",
And to find it you must kneel!

CLUE

This is the biggest place for an egg to hide,
And to find it you must go outside.
Seek amongst flowers and bees,
Maybe you'll get dirt on your knees?
