Press release from AFRY

AFRY publishes Annual- and Sustainability Report for 2022

AFRY has today published the Annual and Sustainability Report for 2022 and it is available on the company website [afry.com](https://www.afry.com).

The Report presents the company's performance during the year, sustainability work and updated business strategy. The strategy contains of six pillars that reflect the direction of our divisions and also how we build long term value by focusing on our clients, employees and operational excellence.

"I am proud of how we at AFRY have navigated the year while, at the same time, strengthening our operations. We delivered strong organic growth with a continued high demand especially in our industrial and energy segments, an improved operating result, completed our cost saving programme and continued to invest in our system platform," says Jonas Gustavsson, President and CEO of AFRY.
