ÅF and Reinertsen in discussions regarding a merger of Infrastructure operations

ÅF and the Norwegian engineering consultancy company Reinertsen AS are discussing a merger of their Norwegian operations within Infrastructure, including Building Installations in one jointly owned company. The involved operations have approximately 350 employees and a combined turnover of approximately 450 MNOK. The discussions also include ÅF acquiring Reinertsen's Swedish business within Infrastructure, including Building Installations, with approximately 185 employees and a turnover of approximately 200 MSEK.

The planned transaction will be subject to notification by the Competition Authority in Norway. Reinertsen's and ÅF's other operations are not included in the discussions.

Corporate Communications
ÅF AB

ÅF is an engineering and consulting company for the energy, industrial and infrastructure markets, creating progress for our clients since 1895. By connecting technologies we provide profitable, innovative and sustainable solutions to shape the future and improve people's lives.
