## ÅF signs major consulting agreement with the Swedish Defence Materiel Administration, FMV

ÅF has, in collaboration with the consulting companies Combitech and Sjöland & Thyselius, won a major framework agreement with the Swedish Defence Materiel Administration, FMV.

The total value of the contract is estimated to be in the region of SEK 700 million. The contract will run for three years, with the option of extending it for a further four years.

The contract includes supplying consulting services for the Swedish Armed Forces management systems, in particular competence relating to systems management and systems work in the early phase of systems development and to overall systems work. The framework agreement also includes support for work in connection with planning and definitions.
