ÅF continues growth in Lithuania

ÅF has acquired 100% of shares of UAB „Termosistemų projektai”, (TSP) an energy consulting company in Lithuania with 16 employees.

TSP has offices in Kaunas and Vilnius. It has consulting business mainly in the Lithuanian market but some assignments in Byelorussia, as well. The company offers technical and environmental consultancy and services for local and foreign energy, industrial and public sector clients.

ÅF has been active in the Lithuanian energy consulting market for many years and has won most of the power plant projects in the country. The acquisition of TSP strengthens ÅF's position further and makes ÅF as one of the biggest company in the Lithuanian energy and environmental consultancy market, with totally some 25 employees.
