ÅF sells AF Chleq Froté S.A.

ÅF is to sell its French subsidiary AF Cheq Froté S.A. The company has 50 employees.

The purchasers are the management of AF Chleq Forté. The transaction amounts to 1 EURO.

The sale will have no effect on profits as provisions for this transaction were made in the annual accounts for 2006.

The sale is part of the strategic re-alignment currently being undertaken within ÅF's Process Division.

As the sale requires the approval of a general meeting of shareholders in AB Ångpanneföreningen, an extraordinary meeting of shareholders has preliminarily been planned for August. A separate call to the meeting will be published no later than two weeks prior to the meeting.
