Change in number of shares and votes in ÅF AB

A reduction of the share capital through withdrawal of shares as decided by the Annual General Meeting 2017 has been completed in July 2017. The reduction was carried out to counteract possible dilution effects of the Convertible Debenture Programme 2016.

The number of shares before the reduction was 79 097 353 and the number of votes was 108 057 121. Through the reduction the numbers of B-shares and votes have decreased by 835 488. The total number of shares after the reduction amounts to 78 261 865, of which 3 217 752 are A-shares and 75 044 113 are B-shares. The number of votes after the reduction amounts to 107 221 633.
