Change in ÅF Group Management

Viktor Svensson, President Technology Division, has decided to leave ÅF to assume a position outside the company.

Viktor Svensson has been with ÅF since 2003. He started as Information Manager in the ÅF Group and later assumed the position as Marketing and Sales Manager. Since 2015 Viktor Svensson has been President of the Technology Division.

"During his 15 years, Viktor has contributed to the development of ÅF, and I would like to take the opportunity to thank Viktor for great efforts," says Jonas Gustavsson, President and CEO of ÅF.

Lennart Waldenström, Vice President and Head of Sales & Business and Development Technology, has been appointed interim President Technology Division.

Corporate Communication
ÅF AB

ÅF is an engineering and consulting company for the energy, industrial and infrastructure markets, creating progress for our clients since 1895. By connecting technologies we provide profitable, innovative and sustainable solutions to shape the future and improve people's lives. Building on our strong base in Europe, our business and clients are found all over the world.

ÅF – Innovation by experience
