Change in ÅF Group Management

Roberto Gerosa, Executive Vice President and Head of Division Energy has decided to leave ÅF.

Roberto Gerosa joined ÅF in 2007 through an acquisition as Managing Director of the Swiss company Colenco. Since 2011, Roberto has shouldered the role as President of the International Division, building ÅFs international presence in more than 80 countries with specific focus on the energy market. On January 1 2018 Roberto was appointed EVP and Head of Division Energy.

"During his eleven years at ÅF, Roberto has been a key player in establishing ÅF's international presence and developed the international offer within the fields of energy. I would like to take the opportunity to thank Roberto for his great contributions and wish him all the best in future," says Jonas Gustavsson, President and CEO of ÅF.

The recruitment process for a successor has commenced and Roberto will remain in his position until the successor is in place.
