## Press release from ÅF Pöyry

### ÅF Lighting chosen by the Municipality of Uppsala as exclusive partner for lighting projects

#### **ÅF Lighting has won a framework agreement in lighting design and construction management for the Municipality of Uppsala in eastern Sweden.**

"We are delighted and proud to be the sole provider of lighting solutions for the Municipality of Uppsala. This mission fully aligns with our ambition to be local market leaders within lighting design, lighting controls, daylight and detailed lighting planning. This framework agreement enables a full service establishment of our services in Uppsala," says Ronnie Eriksson, Section Manager, Stockholm Uppsala.

The mission runs for one year with a possible extension of maximum three years, starting on 4 October 2019. It entails project planning, construction management and lighting design of all coming municipal outdoor lighting projects in the municipality of Uppsala.

"Our team of 115 dedicated co-workers will ensure safe and inspiring places for the citizens of Uppsala, contribute to the municipality's environmental objectives and increase the appeal of the city," says Ronnie Eriksson.
