## Press release from AFRY

### Linda Pålsson has been appointed Executive Vice President & Head of Energy Division

#### **AFRY initiates a change in the Group Executive Management Team**

On August 1, 2022, Linda Pålsson will take on the role as Executive Vice President & Head of the Energy Division at AFRY. Linda Pålsson is currently Vice President & Head of Hydro and Energy Nordics at AFRY and has 20 years of experience within the company. Linda Pålsson also held leading positions in Triventus Windpower and Infratek. She holds an education in electrical engineering from the Chalmers University of Technology of Gothenburg.

"I'm delighted to welcome Linda Pålsson to the team. Linda has extensive experience in the energy sector and excellent leadership skills. The energy sector plays a significant role in the transition towards a sustainable society, and together with Linda and the team, we will be able to continue supporting our clients in reaching their goals," says Jonas Gustavsson, President and CEO of AFRY.

"I'm very much looking forward to continue contributing to the sustainable transition in society as well as the success of AFRY. I'm proud of the deep sector knowledge, competence and collaboration in the Energy Division and together with our AFRY colleagues we will continue to create value for our clients," says Linda Pålsson.

The change in the Group Executive Management comes after the long-planned role change of the current Executive Vice President, Richard Pinnock, who will continue in the Energy Division and AFRY as a senior advisor.

"I would like to express my gratitude to Richard Pinnock for his invaluable leadership and huge contribution to the company over the years. I'm looking forward to our continued collaboration," said Jonas Gustavsson.
