Press Release from AFRY

AFRY is again awarded with the highest Platinum level in EcoVadis Sustainability rating

AFRY has once again received the highest Platinum rating in EcoVadis' global sustainability and social responsibility rating. With a total score of 79 out of 100 AFRY is placed among the top 1 percent of all assessed companies in sustainability performance in EcoVadis rating.

EcoVadis is the world's largest and most trusted provider of business sustainability ratings. The assessment examines performance across 21 indicators in four themes: Environment, Labour & Human Rights, Ethics and Sustainable procurement. The methodology is built on international sustainability standards, including the Global Reporting Initiative, the UN Global Compact, and the ISO 26000, covering 200 spend categories and 160+ countries.

"Receiving the highest sustainability ranking in EcoVadis is a testament to our dedication to not only meet today's environmental and social challenges but also to pave the way for a more sustainable future. It reflects our commitment to responsible practices, innovation, and to accelerate the sustainability transition" says Henrik Tegnér, Head of Strategy and Sustainability at AFRY

Sustainability is an integral part of AFRY's business strategy, and this commitment is reflected in our mission to accelerate the transition towards a sustainable society. AFRY's aim is to deliver sustainable solutions for generations to come and take responsibility for the impact we have as a company.
